MEMORANDUM FOR: Legislative Counsel  
FROM: Director of Central Intelligence  
SUBJECT: Atlases for Senator Warner

Senator Warner mentioned to me the other day how much he enjoyed and appreciated the atlas on the Middle East which we sent to him as a new Senator. He asked if we had any others. I told him there were ones on the Indian Ocean and the Polar Regions and that I would send them along to him. He is anxious to see anything of that sort that we have. If there is anything else you can think of, package it up and send it along also.
